# Marysville Chamber of Commerce

---

The Marysville Chamber of Commerce is a member-driven, volunteer led organization. Twelve (12) board members from the retail businesses and service businesses are elected to serve 3-year terms. Their main goals are to make Marysville a better place to live, work and conduct business; to offer a central clearing house of reference information relative to the economic, social and political conditions; and to be available to the citizens of Marysville generally. Add to this numerous opportunities for networking and business exposure and you have an organization that is committed to working for you.
